Your own train into the Vaser Valley

Parties, associations, companies etc., may charter their own train at any time of the year. On request we can arrange a variety of activities, routes, and a catering service.

Steam train:	Fares - according to route and duration. To be booked at least 3 days prior to travel date.
Diesel Railcar:	Our budget alternative to a steam train. Booking is possible at short notice.

We will be pleased to advise you.

Some suggestions for a successful railway adventure:

- 1 In the event of bad weather conditions all train services may have to be cancelled for safety reasons.
- 2 In the event of technical failure of a steam engine, a diesel engine may be substituted.
- 3 In peak season may occur a delay because of safety distance between several trains.
- 4 Identification must be shown by people entitled to claim reduced fares (pensioners, students, disabled).
- 5 Parties/groups of 15 people or more are requested to book at least 2 days prior to travel date.
- 6 Larger parties are recommended to charter their own train.
- 7 CFF Vișeu trains may be boarded only by people in possession of a valid ticket.
- 8 There is a full catering service at Paltin. You may also take your own food.
- 9 We kindly ask you not to put luggage on the seats.
- 10 On all trains and in the operating area the Standing Procedures of the CFF Vișeu apply. You may study these at the CFF station at Vișeu.

We wish you a pleasant journey and an enjoyable day in the Vaser Valley.
